

HFM MK S ED - Measuring connection, plug-in series

Connection 1
Sealing form 1
Connection 2
Design

Included in scope of supply

Temp. min.

Temp. max.

Material

Surface

metric cylindrical outer thread

Shape E

Plug connection for measuring technology
Screw-in socket with measurement
connection

with locking connector and retaining pin

-20 °C

100 °C

Steel

electro galvanised

Name	G1	Ciśn. rob. (bar)
