

Scraper seal ZZ

ZZ reinforced with a metal scraper dirt, designed for light applications. Stiffening metal requires registration with housing for interference.

Type	Pressure [bar]	Speed [m / s]	Temperature [° C]	Stuff	Resistance Media	Equivalent seals
ZZ	-	-	-30 100	NBR + metal	sludge, dust, oil, water, emulsions	AM43, GHT, AS, K07, WRM, GA
